

DEEP DAKSHY

CREATIVE PRODUCER · FILM DIRECTOR · CINEMATOGRAPHER

// EXPERIENCE

2023 - CURRENT

Babbel GmbH BERLIN

Sr. Creative Video Producer

- Built and managed a network of actors, directors and vendors across Berlin – delivering paid social for TV, online and SEM across eight European markets (Italy, Spain, UK, Germany, Sweden, Portugal, Poland, and more).
- Conceptualised, shot, produced and edited campaigns across varying budgets – from single-asset briefs to 100+ deliverable pipelines.
- Owned localisation workflows for multi-market rollouts, coordinating versioning across languages and platforms.
- Implemented AI-driven tools into production processes, cutting turnaround times and increasing output capacity.
- Built an in-house production system from the ground up – bi-monthly shoots, scalable workflows, three months of content in the pipeline at all times.

2021 - 2022

Freelance BERLIN

Film Director · Cinematographer

- Directed and shot five independent short films – character-driven, festival-circuit work with small crews and available light.
- Selected screenings: South Asian Film Collective Berlin, Berlin Indie Short Fest (Best Cinematography), Edinburgh, Mumbai.
- Also worked as DP and camera operator across mid-budget independent productions.

2018 - 2020

Hoichoi KOLKATA / INDIA

Creative Producer

- Led production of original content for films, web series and platform-native formats.
- Oversaw all stages – writing, shooting, editing, packaging – end to end.
- Delivered high-output projects across tight schedules with full creative accountability.

2014 - 2017

TVF BANGALORE / INDIA

Director of Photography

- DP on original content – motion graphics, episodic shoots, content packaging.
- Multiple titles exceeded 500k views within 30 days of release.
- Collaborated on development of new IP from concept through production.

2014 - 2015

Studio Red KOLKATA

Art Director

- Built and maintained visual identities for eight brand clients simultaneously.
- Delivered cohesive design systems across print, digital and motion.

// ABOUT

Born in Kolkata. Based in Berlin. Working everywhere in between.

I started in photojournalism and graphic design – both equally, and neither felt like enough on its own. I studied cinematography at MET Film School and ended up doing all of it: directing, shooting, producing, designing.

Commercially I run campaigns across European markets. Independently I make films – character-driven, intimate, small crews. The two worlds feed each other.
